November 2012

Export Award Bavaria 2012

Aschoff Solar was awarded by the “Bavarian State Ministry of Economic Affairs, Infrastructure, Traffic and Technology” as winner in the category Supply of Services.

Since 2007, the “Export Award Bavaria” will be awarded annually in several categories.

Mr. Friedhelm Aschoff and Mr. Carsten Aschoff took the award on 8th of November in Munich in the name of Aschoff Solar from the Bavarian State Minister, Mr. Martin Zeil.

The reason of choosing Aschoff Solar is based on the development of the company since 2010 and the unique approach in standardization of products and the marketing strategy of focussing highly energy intensive industries all around the world, with easy and efficient Solar Solutions.

A company video about Aschoff Solar was shot and can be watched on YouTube:
